

New Parent's, Welcome!

2024/2025

Welcome, from the OCC's Children's Ministry Team!

We are so happy to have you join us here at Osceola Community Church! We would like to welcome you and your children to our Sunday morning children's teaching ministry. Thank you for trusting us to provide a fun and safe environment for your children. They will be taught about God's Deep Love and Acceptance of them and of how to love and accept the people around them.

Noah's Ark Play Area is open and available for children to play in **before and after church service**. No food or drink is allowed in this area, and we ask the parents to remain in proximity to supervise their children's playtime.

Please, **register your child**. The table in front of Noah's Ark has a clipboard for registration. Please, give the form to the teacher. You and your child's information will help us contact you if there is a need and provide you with what your children have been learning. There is also the monthly curriculum outline, church staff directory, and events pages that are sent out to the parents and teachers.

NAME TAGS are available at the registration desk if you would like to use them. If they are used, your child's name must be on your name tag also for identification.

Coats and Shoes should be brought into the room with your children; we use the outdoor play area frequently.

Little Treasures, birth to 2 years (left side of Noah's Ark), is open from 9:50 am to the end of service.

Kingdom Kids; 3 years to kindergarten (right side of Noah's Ark) Is open AFTER Announcements.

Truth Seekers; 1st grade to 3rd grade (West Wing; through the left hallway of the sanctuary) Open After Announcements

Journey; 4th to 5th grade (Main entrance, first room on the right, conference room) Open After Announcements

Occasionally Truth Seekers and Journey will be together in the West Wing.

PLEASE **Pick up your children right after service**, our teachers also would like to be let loose. Children are not allowed out of the teaching room without supervision.
